

CCFI LEADERSHIP ALIVE COURSE

Capstone Project

During our final session, participants will be expected to present a final capstone project based on what they have learnt over the course using a case study they prefer. You are at liberty to choose the format of presentation, and this could be but not limited to videos, podcasts / audio recordings or PowerPoint presentations.

Format of presentation:

- The presentation should be connected to one or two themes from the topics taught over the five weeks.
- Presentation can feature a biblical character and the leadership characteristics they represent to you.
- Choose the format of presentation, and this could be PowerPoint presentations, a video recording or any useful format.
- Plan to share a summary of this presentation for 6 minutes at our final session.

Thank you.
