## THE FRAGRANCE OF CHRIST REVISED

*Mother Teresa prayed this  
every day after Communion*

Dear Jesus:

Help us to spread Your fragrance everywhere we go. Flood our souls with Your Spirit and life. Penetrate and possess our whole being so utterly, that our lives may only be a radiance of Yours.

Shine through us, and be so in us that every person we encounter may feel Your presence. Let them look up and no longer see us, but only Jesus Christ.

Abide with us Lord, and then we shall shine as You shine; as a light for others; to see Your beauty. None of it will be ours. It will be You shining on others through us.

Let us praise You in the way You love best, by shining on those around us. Let us preach, not by words only, but by our example, through the power of Your love and compassion, with the evident fullness of the Holy Spirit living in our heart.
